

## Strategies for Delivering a Research Poster Presentation

- Dress for Success
  - Business attire is strongly recommended
- Feel free to provide handouts or supplementary material
- Prepare your one-minute pitch!
  - This should introduce you, your role, your mentor, and an overview (abstract in short)
  - Optional: 30 seconds to set up your question
- Prepare to answer (and ask) questions!
  - Know your research and next steps
  - Consider your experience and future plans
  - Ask about their work, why they're interested
- Draw people in and engage them
  - Smile, make eye contact, prepare "hooks"
  - Be sure to address everyone nearby
