**INTRODUCTION**

**A virtual real-time synchronous class will be held on Zoom Monday, January 30 at 7:00-9:30.** I will provide a summary of the course and you will need to introduce yourself with a PowerPoint presentation (3-5 min.) of your internship, research question and goals. Post your introduction **on Discussions** for others to see **by Monday, January 30 at 7:00 pm**. If you are not able to attend, due to a class conflict or other acceptable reason, please let me know, view the prerecorded lecture about the course and post your introduction presentation by the due date. Those attending the real-time class still need to post introduction presentations but do not have to view the summary video by the due date.

### **LEARNING QUESTION**

#### **Due Friday, February 3, 11:55 pm**

Enter your Learning Question(s) on Sakai. You will research this through experience and interviews with professionals/colleagues at your organization. As this was part of your Internship Agreement Form, you should have already worked this out/gotten approval of this question(s) from your supervisor. This is time to tweak it if needed. Be sure it is in question form.

### **ENGAGED LEARNING FILE**

#### **Due Friday, February 3, 11:55 pm**

Since the FDM Internship meets your Engaged Learning Requirement, you must enter the details of your internship on LOCUS so the university can meet its federally mandated accounting requirements. You can find instructions and a tutorial video, including how to enter details and register your internship, online at: <https://www.luc.edu/experiential/forstudents/locustutorial/>. If for some reason your information is not accepted on LOCUS, indicate so on the Sakai assignment by the due date and let me know when it is resolved.

### **REPORTS (These are typically every two weeks with some exceptions)**

Each report is due by 11:55 p.m. on the date below. These reports should be at least **400 words** discussing your experiences and addressing the questions asked. Please note your internship organization somewhere so I can be reminded of where you are interning. Use these questions as a starting point. Write clearly and include specific details and examples to describe your experience and work activities. **Number and date each report at the top of the document. I would prefer you cut and paste your report to Sakai in the "Assignment Text" section, if you post a file you must ensure I can open it or else it results in 0.**

#### **TIMESHEETS**

Also due on Fridays, or the following Mondays when Friday is a holiday, are your timesheets. As indicated on Sakai, timesheets are due by 11:55 p.m. on Friday, February 3, 10 and 24, Monday, March 13, Friday March 24, Monday April 10 and Friday, April 21. Any additional timesheets needed to complete around 100-150 hours need to be emailed to the instructor by Monday, May 1, 5:00 pm. A timesheet form is available on Sakai (see tab at left) and the SOC website at <http://www.luc.edu/soc/resources/resourceforms/> Scan or photograph your timesheet and upload it to Sakai. Timesheets must: 1) be signed by your supervisor, 2) note activities, 3) show days/times worked, 4) include total time for the day and 5) include total for the period.

If your employer already has you completing a similar form, you may submit that instead provided you follow the same schedule and provide total hours for that period and notes on activities. In order to turn in your timesheet on time, you may determine to document your time through an earlier date such as Wednesday before; the time period does not need to conclude with the day the timesheet is due. If you are unable to get your supervisor's signature by the due date, submit it anyway for .8 points. To successfully complete the course, you must conduct around 100-150 hours at your internship (consult your instructor for questions). This averages approximately 12 hours a week.

#### **TIMELINESS AND GRADES**

Timely uploading to Sakai of your reports and timesheets is essential to achieving a high grade in this course. Missing or late assignments will result in a lower grade. **There will be a one-point deduction for each day an assignment is late and a .1 deduction for each day a timesheet is late.** Note, if your internship starts or ends early relative to the Loyola semester, you must clear this with the instructor and you are responsible for submitting something for each report by its due date. If your onsite supervisor fails to sign your timesheet in a prompt manner, submit it unsigned on Sakai (for .8 points) and note in assignments. Be sure to approach your supervisor and secure the signature further in advance of the due date.

## **LOYOLA UNIVERSITY CHICAGO'S MISSION REFLECTION**

**Due Monday, April 10, 11:55 pm**

Submit a reflection on Loyola University's mission statement.

*"We are Chicago's Jesuit Catholic university – a diverse community seeking God in all things and working to expand knowledge in the service of humanity through learning, justice, and faith."*

Referencing Loyola's mission statement above, compose a written reflection of at least 2 pages, double-spaced, that explains:

- How did your Engaged Learning experience help you to connect to the University's mission?

Note: "Engaged Learning experience" means your internship. When referring to "in-class experiences," consider your other SOC courses as well as this one. Submit your reflection on Sakai.

## **SUPERVISOR EVALUATION**

**Due Monday, April 24, 11:55 pm**

At least one week in advance of the due date, give your supervisor the Supervisor Evaluation Form found in your application. Another copy is on Sakai if you need it. Ask the supervisor to email the form to Ayesha Abouelazm at [aabouelazm@luc.edu](mailto:aabouelazm@luc.edu) by the due date.

Use visuals and anything else that will help communicate where you interned and what you did. Show us some specific examples of your work. Explain your duties and your accomplishments. Keep it brief and interesting. This is not a recount of your final paper; think of it as an engaging snapshot of your experience. Share insights on how the internship has changed or influenced your interest in the field. Present in real-time and **submit slides on Sakai Discussions by 7:00 pm** – so others can see.
